

# Character Top Costumes

Dress up your good2grow tops for Halloween with these fun masks.  
Use them as decorations or as a spooky-fun surprise for your little one at meals, snacks or in their lunch bag!

## How to make:

1. Print and cut out the masks and eye sockets.
2. Cut a slit or punch a tiny hole on each side.
3. Slide small string or ribbon through the slit and wrap around the character's head, securing in place with tape.
4. Watch for smiles!
